1. Scope

These General Terms and Conditions (“GTC”) apply to all orders placed in the Maxi Zoo Online Shop, accessible at <https://www.maxizoo.ie> in their current valid version at the time of placing the order. The online shop is operated by the limited liability company under German law Fressnapf Tiernahrungs GmbH (hereinafter “Fressnapf”) with its registered office at Westpreußenstr. 32 - 38, D-47809 Krefeld and registered in the Krefeld commercial register under the number HRB 5030.

Please note that it is possible to complete orders through the Maxi Zoo Online Shop via your participating Maxi Zoo market. At your request, goods can either be delivered to your home or to the participating Maxiz Zoo market for pick-up. In such cases, any contract is concluded exclusively between you and the relevant Maxi Zoo market. These GTC will not apply in such case, but rather only the the general terms and conditions of the relevant Maxi Zoo market.

2. Implementation of the contract in the online shop

The products displayed in the Maxi Zoo online shop should not be considered a binding offer to conclude a contract. You only submit a binding offer to conclude a contract when you click the “Buy now” button. Before doing so, you have the opportunity to review and correct the content of your virtual shopping cart and your address data. You can also cancel the ordering process at any time by closing your browser.

After you submit your order to the Maxi Zoo online shop, you will receive a confirmation e-mail (receipt confirmation). This does not represent a contractual confirmation from us. Your offer to conclude a contract will be accepted through a separate e-mail (order confirmation), or by sending you the goods. If you do not receive an order confirmation or a notification of delivery, or the goods within seven days, you are no longer bound to your contractual offer.

Any payments already made before this time shall be reimbursed immediately. Your statutory right of cancellation under clause 3 shall remain unaffected. Items, in particular sale items, shall be provided only in quantities suitable for household use, and only to consumers, not commercial purchasers.

We can refuse repayment until we have received the returned goods, or until you have provided verification that you returned the goods, whichever comes first.

You must promptly return the goods, and at the latest within fourteen days from the date on which you inform us that you are cancelling the contract. The deadline is considered fulfilled if you send the goods before the end of this fourteen-day period. You are only liable for any lost value of the goods if this lost value results from your handling of the goods in a manner not necessary to check their properties, characteristics, and proper function. The right of cancellation shall not apply in respect of goods that can spoil quickly or that have a short expiration date (perishable goods).
